DURHAM-NEWMARKET PUBLIC INFORMATION MEETING
FOUR-FOOT BIKE SHOULDER ON NH ROUTE 108

The New Hampshire Department of Transportation announces a Public Informational Scoping Meeting will be held Tuesday, November 19, 2002 to discuss a plan for constructing a four-foot bicycle shoulder and some safety improvements on a section of NH Route 108 in the towns of Durham and Newmarket.

The project extends 3.4 miles on NH 108 from Oyster River Bridge in Durham to Sanborn Avenue in Newmarket.

The November 19 meeting to display the basic plan and corridor deficiencies, and to gather input on the scope of the project, will take place at the Oyster River High School cafeteria, 55 Coe Drive in Durham, New Hampshire. The meeting will begin at 7:00 pm and be followed by a question and comment period.
